**Re: Referral of Administrative Complaint**

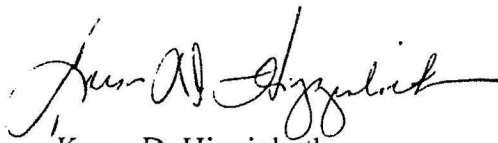

Dear [REDACTED]:

This is in response to your administrative complaint received on January 6, 2010, by the U.S. Environmental Protection Agency (EPA) Office of Civil Rights (OCR). Your complaint was originally filed on August 3, 2009 with the U.S. Department of Justice (DOJ). DOJ then referred it to EPA. Your complaint alleges that the Regional Planning Commission of Greater Birmingham (RPC), the Alabama Partners for Clean Air (APCA), and the Alabama Department of Transportation (ALDOT) violated Title VI of the Civil Rights Act of 1964, as amended (Title VI), 42 U.S.C. §§ 2000d *et seq.*, and EPA's nondiscrimination regulations found at 40 C.F.R. Part 7.

Generally, your complaint alleges that RPC and APCA intentionally discriminated against you based on your race when you applied to participate in the Voluntary Emissions Testing Program. Specifically, your complaint alleges that RPC and APCA treated you differently than other applicants by requiring you to provide additional information, including a completed performance bond form, as part of the application process. In addition, your complaint alleges that ALDOT retaliated against you by denying your privately owned business the opportunity to become a registered Disadvantaged Business Enterprise. Due to the nature of your allegations, OCR has determined that it would be more appropriate for the Department of Transportation to investigate them. OCR, therefore, is referring your complaint and the additional information you provided to OCR, to Mr. Allen Masuda in the Office of Civil Rights at the U.S. Department of Transportation.

If you have any questions, please contact Helena Wooden-Aguilar of OCR's External Compliance Program, by telephone at (202) 343-9681, via e-mail at [wooden-aguilar.helena@epa.gov](mailto:wooden-aguilar.helena@epa.gov), or by mail at U.S. EPA, Office of Civil Rights (Mail Code 1201A), 1200 Pennsylvania Ave. NW, Washington D.C., 20460-1000.

Sincerely,

A handwritten signature in black ink, appearing to read "Karen D. Higginbotham". The signature is fluid and cursive, with a long horizontal stroke at the end.
